DISCUSSION SUMMARY

Reviewed ongoing calibration contract performance for Q2. Client raised concerns about turnaround time on the last two service visits and requested a dedicated technician be assigned going forward. Discussed renewal terms for the annual maintenance contract, due for renewal in September 2026. Client expressed interest in extending coverage to their Athi River facility.

DATE	ACTION ITEM	OWNER
01 Jul 2026	Assign dedicated technician and confirm with client	—
15 Jul 2026	Prepare renewal quotation including Athi River site	—
05 Aug 2026	Follow-up call to confirm renewal decision	—

CLIENT SENTIMENT

Overall relationship: **Positive**, with a service-quality concern flagged for action. Renewal likelihood assessed as **High**, contingent on the turnaround-time issue being resolved.

This report is logged against the client account in the QSL CRM and feeds into account ownership and contract renewal tracking.
