INSPECTION CHECKLIST

- Delivered quantity verified against the Purchase Order and Delivery Note — matched in full.
- Items visually inspected for damage, correct specification, and serial/batch number where applicable.
- Any discrepancy (short-shipment, damage, wrong item) is recorded above and a Non-Conformance Report raised separately if required.
- Acceptance below authorises Finance to proceed with the three-way match and process supplier payment per agreed terms.

This GRN is the system trigger for stock level updates and supplier payment authorisation. No payment is processed against the related invoice without a matching GRN on file.
