## ISSUE CONDITIONS

- Items issued above are charged to the project or cost centre named under "Issued To" and reflected in job costing.
- Non-consumable items must be returned to store on job completion via a Stock Transfer Note — failure to return may result in the cost being charged to the requesting department.
- Any item issued in a condition other than "good" must be flagged to the Stores Manager before being signed for.

*This Goods Issue Note updates the stock ledger in real time. The store keeper must confirm the resulting balance matches the physical count before closing the transaction.*
