Introduced By: — · **Employee No.:** —
Department: — · **Role:** —

This field is permanent once recorded and cannot be changed. It is the sole basis for calculating the referral commission below if this lead converts and revenue is collected.

CONTRACT VALUE BAND	COMMISSION RATE
Up to KES 100,000	2.0%
KES 100,001 – 500,000	1.5%
KES 500,001 – 1,000,000	1.0%
Above KES 1,000,000	0.5%

PAYOUT CONDITIONS

1. Commission is calculated only on revenue actually **collected** from the client, not on the signed contract value.
2. The commission rate is fixed at the band applicable to the final contract value at the time of conversion.
3. Commission is paid via the next available payroll run following confirmed receipt of client payment.
4. If this lead is reassigned or merged with an existing opportunity, the original Introducer recorded above remains entitled to the commission.

This form is governed by the QSL Lead Generation Policy. Eligibility extends to all staff regardless of department — commission is not limited to sales or business development roles.
