VARIANCE RESOLUTION

- Any variance must be recounted once before being accepted as final — both items above were recounted and the figures confirmed.
- Variances above KES 10,000 in value or affecting calibration-critical equipment must be reported to the Stores Manager and Finance Manager before system adjustment.
- System stock levels are adjusted to match the physical count only after this sheet is signed off below.
- Recurring variances on the same item across counts trigger a stock-control review per the QSL Stores Policy.

This count is conducted under the QSL Stores, Inventory & Stock Management Policy. Unexplained variances above KES 10,000 require Finance Manager sign-off before adjustment.
